The Bidder shall be responsible for delivering its Bid to this office and address for the Bid opening before the deadline set forth in the Legal Notice—as extended by any addenda. The Owner will not open Bids that arrive after the deadline regardless of how the Bidder delivers the Bid.
- e. After the Owner opens the Bids, it may require the Bidders to make available additional financial information, including, but not limited to, financial statements from the previous three (3) years for review of Owner. 6. CLARIFICATION OF BIDS

- a. To assist in the examination, evaluation, and comparison of the Bids and the qualifications of the Bidders, the Owner may ask any Bidder for a clarification of its Bid. Any clarification submitted by a Bidder that is not in response to a request by the Owner shall not be considered. The Owner's request for clarification and the response shall be in writing. No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Owner in the evaluation of the Bids.

7. BONDS

- a. Each bidder shall submit one of the statutorily required forms of bid security as set forth in O.R.C. Section 153.54 on the form included with the Contract Documents. All bonds must list the Owner as obligee. There are two ways to meet these requirements:
 - i. **OPTION #1:** Submit the Combined Bid/Performance/Payment Bond on the form included with the Contract Documents along with the Bid; or
 - ii. **OPTION #2:** Submit a certified check, cashier's check, or letter of credit pursuant to Chapter 1305 of the Revised Code, conditioned to provide that if the bid is accepted, the bidder, after the awarding or the recommendation for the award of the contract, whichever the contracting authority designates, will enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material. Any letter of credit shall be revocable only at the option of the Owner. The amount of the certified check, cashier's check, or letter of credit shall be equal to ten percent (10%) of the bid. Any of the foregoing instruments shall be submitted with the Owner listed as the payee or beneficiary. If the Bidder chooses Option 2 and is awarded the Contract, the Bidder shall then submit a Bond using the form included with the Contract Documents.
- b. With any Bond required here, the Bidder shall submit or ensure:

- i. *Ohio Department of Insurance Certificate.* Proof that the bond is issued by a surety company (“Surety”) authorized by the Ohio Department of Insurance to transact business in the State of Ohio and acceptable to the Owner in the form of a certificate.
- ii. *A Financial Statement.* Proof that the bond is issued by a Surety capable of demonstrating a record of competent underwriting, efficient management, adequate reserves, and sound investments. These criteria will be deemed to be met if the Surety currently has an A.M. Best Company Policyholders rating of “A-” or better and has or exceeds the Best Financial Size Category of Class VI. Other Sureties may be acceptable to the Owner, in its sole discretion.
- iii. *Proper signatures, credentials, and Power of Attorney.* The bond shall be signed by an authorized agent of an acceptable Surety and by the Bidder; and include credentials showing the Power of Attorney of the agent.
- iv. The name, address, and telephone and fax numbers of the Surety and the Surety’s Agent should be typed or printed on each bond.

8. EXECUTION OF CONTRACT

- a. Within ten (10) days after award of the Contract, the successful Bidder shall execute and deliver to the Owner an original of the Contractor Agreement, based upon the Owner’s form. Such contract shall include the terms required by Ohio law and documents required by the Instructions to Bidders and Contract Documents for the Project. The successful Bidder shall have no property interest or rights under the Contractor Agreement until the Agreement is properly executed by the Owner.

9. STATE SALES AND USE TAXES

- a. The Owner is a political subdivision of the State of Ohio and is exempt from taxation under the Ohio Sales Tax and Use Tax Laws. Building materials that the successful Bidder purchases for incorporation into the Project will be exempt from state sales and use taxes if the successful Bidder provides a properly completed Ohio Department of Taxation Demolition Contract Exemption Certificate to the vendors or suppliers when acquiring the materials. The Owner will execute properly completed certificates on request.

10. COMPLETION DATE

- a. Each successful Bidder shall have its Work on the Project Complete before **June 30, 2024**. The Contract Time shall run from the date of the Notice to Proceed or if there is no Notice to Proceed from the Effective Date of the Contractor Agreement.

11. MODIFICATION/WITHDRAWAL OF BIDS

- a. *Modification.* A Bidder may modify its Bid by written communication to the Owner at any time before the scheduled closing time for receipt of Bids, provided such written communication is received by the Owner’s Representative before the Bid deadline. The written communication shall not reveal the Bid price but should provide the addition or subtraction or other modification so that the final prices or terms will not be known to the Owner until the sealed Bid is opened. If the Bidder’s written instructions with the change in Bid reveal the Bid amount in any way before the Bid opening, the Bid may be rejected as non-responsive.

- b. Withdrawal. Bids may be withdrawn with permission of the Owner or in strict accordance with O.R.C. Section 9.31 which generally commands that Bidders may withdraw their bids from consideration if the price of the bid was substantially lower than the other bids, providing the bid was submitted in good faith, and the reason for the price bid being substantially lower was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional and substantial arithmetic error or an unintentional omission of a substantial quantity of work, labor, or material made directly in the compilation of the bid. Notice of a claim of right to withdraw such bid must be made in writing filed with the Owner within two (2) business days after the conclusion of the bid opening procedure.

12. PREVAILING WAGES

- a. This estimated cost of the Project is \$836,994 and the **Bidder is required to comply with all applicable Ohio Prevailing Wage requirements and labor laws for this Project.**
- b. If Prevailing Wage applies to this Project, the determination of the prevailing rates of wages of mechanics and laborers in accordance with Section 4115.05 of the Revised Code for the class of work called for by the Project, in the locality where the work is to be performed, shall be attached to and made part of the Contract Documents.
- c. If Prevailing Wage applies to this Project, the Contractor must pay at least the wage rates subsequently listed in the Wage determinations. The Contractor must submit properly executed copies of the Contractor's and subcontractor's payrolls to the Owner's Prevailing Wage Coordinator in accordance with the requirements of Section 4115.071 of the O.R.C. Payroll records shall be kept current as failure to do so will delay the Owner's approval for payment of any pending estimates.

13. ALTERNATES

- a. The Owner may request bids on alternates. If the Owner requests bids on alternates, the Bidder should include the cost of the alternates requested on its Bid Form.
- b. At the time of awarding the contract, the Owner will select or reject alternates as it determines is in its best interest. A Bidder's failure to include in its Bid Form the cost of an alternate selected by the Owner and applicable to the Bidder's work may render the bid non-responsive and be grounds for the rejection of the bid. Otherwise, the failure to include the cost of an alternate will not be deemed material.
- c. The Bidder acknowledges that although there is an estimate for the cost of the Project, the market conditions may and frequently do result in the estimate being different from the sum of the bids received, either higher or lower. The Bidder understands that the Owner may include alternates, which may include deduct alternates as well as add alternates, to give it flexibility to build the Project with the funds available. The Bidder further understands and acknowledges that use of add and deduct alternates is a long held customary practice in the construction industry in the State of Ohio. The Bidder also acknowledges that the Owner will not make a decision about the alternates on which to base the award of contracts until the bids are received, and the Owner can compare its available funds with the base bids and the cost or savings from selecting different alternates. The Bidder understands that the award to the Bidder submitting the lowest responsive and responsible bid will be based on the lowest responsive and responsible base bid plus selected alternates, and may result in an award to a Bidder other than the

Bidder that submitted the lowest base bid. The Bidder also acknowledges that its, and other bidders', bids may become responsive or non-responsive based on whether the bidders bid and are qualified for all base work and alternates; and, the Owner's selection of alternates. The Owner will evaluate bids to determine the lowest responsive and responsible bid after it selects the alternates.

- d. If, during the progress of the Work, the Owner desires to reinstate any alternate not included in the Contract, the Owner reserves the right to reinstate the alternate at the price bid by the Contractor if such action is taken in sufficient time so as not to delay the progress of the work or cause the Contractor additional expense.

14. UNIT PRICES

- a. Where unit prices are requested in the Bid Form, the Bidder should quote a unit price. Unless otherwise expressly provided in the Bid Documents, such unit prices shall include all labor, materials, and services necessary for the timely and proper installation of the item for which the unit prices are requested. The unit prices quoted in the bid shall be the basis for any Change Orders entered into under the Contractor Agreement, unless the Design Professional determines that the use of such unit prices will cause substantial inequity to either the Contractor or the Owner.
- b. The estimated quantities shown herein are approximate only and the Owner assumes no responsibility for the accuracy of the estimates. Bidders are cautioned to make their own investigations and determinations of the conditions under which the work will be performed and to base their bids accordingly.

15. ADDENDA

- a. The Owner reserves the right to issue Addenda changing, altering, or supplementing the Contract Documents before the time set for receiving bids. The Owner will issue the Addenda to clarify bidders' questions and/or to change, alter, or supplement the Contract Documents.
- b. Any explanation, interpretation, correction, or modification of the Contract Documents will be issued in writing in the form of an Addendum, which shall be the only means considered binding. Any explanations, interpretations, or other representations made by any other means shall not be legally binding. All Addenda shall become a part of the Contract Documents.
- c. Bidders shall submit written questions to the Owner in sufficient time in advance of the bid opening to allow sufficient time for the Owner to respond. All Addenda will be issued, except as hereafter provided, and mailed or otherwise furnished to persons who have obtained Contract Documents for the Project, before the published time for the opening of bids.
- d. Copies of each Addendum will be sent only to the Bidders to whom Contract Documents have been issued and to Plan Rooms where copies of the Contract Documents are maintained. Receipt of Addenda shall be indicated by Bidders in the space provided on the Bid Form. Bidders are responsible for acquiring issued Addenda in time to incorporate them into their bid. Bidders should contact the Owner before the bid opening to verify the number of Addenda issued.
- e. Each Bidder shall carefully read and review the Contract Documents and immediately bring to the attention of the Owner any error, omission, inconsistency, or ambiguity therein.

- f. If a Bidder fails to indicate receipt of all Addenda through the last Addendum issued by the Design Professional on its Bid Form, the bid of such Bidder will be deemed to be responsive only if:
 - i. The bid received clearly indicates that the Bidder received the Addendum, such as where the Addendum added another item to be bid upon and the Bidder submitted a bid on that item; or
 - ii. The Addendum involves only a matter of form or is one that has either no effect or has merely a trivial or negligible effect on price, quantity, quality, or delivery of the item bid upon.

16. METHOD OF AWARD

- a. In evaluating Bids, the Owner may conduct such investigations as are deemed necessary to establish the qualifications and financial ability of the Bidder and its subcontractors and suppliers. The Bidder authorizes the Owner and its representatives to contact the owners, design professionals, and others having knowledge (collectively "Contacts") on projects on which the Bidder has worked and authorizes and requests such Contacts to provide the Owner with a candid evaluation of the Bidder's performance. By submitting its Bid, the Bidder agrees that if it or any person, directly or indirectly, on its behalf or for its benefit brings an action against any of such Contacts or the employees of any of them as a result of or related to such candid evaluation, the Bidder will indemnify and hold such Contacts and the employees of any of them from any claims whether or not proven that are part of or are related to such action and from all legal fees and expenses incurred by any of them arising out of or related to such legal action. This obligation is expressly intended for the benefit of such Contacts and the employees of each of them.
- b. All Bids shall remain open for acceptance for sixty (60) days following the day of the Bid opening, but the Owner may, in its sole discretion, release any Bid and return the Bid Guaranty before that date.
- c. The Owner reserves the right to reject any, part of any, or all Bids and to waive any informalities and irregularities. The Bidder expressly acknowledges this right of the Owner to reject any or all Bids or to reject any incomplete or irregular Bid. The Owner will award a single contract for each of the Bid packages listed above, unless it determines to reject one or more Bid packages. Bidders must furnish all information requested. Failure to do so may result in disqualification of the Bid.
- d. Determination of the Bidder Submitting the Lowest Responsive and Responsible Bid. Subject to the right of the Owner to reject any or all Bids, the Owner will award the Contract for the Work to the Bidder submitting the lowest responsive and responsible Bid, taking into consideration accepted alternates.
 - i. The Owner may consider the following criteria in determining the lowest responsive and responsible bidder; and, in its discretion, may consider and give such weight to these criteria as it deems appropriate:
 - 1. Past Contract Performance
 - a. Whether Bidder has failed to perform a contract within the last five (5) years from the date of Bid submission based on all information including fully settled disputes or litigation. A fully settled dispute or litigation is one that has been resolved in accordance with the

dispute resolution mechanism under the respective contract, and where all appeal instances available to the Bidder have been exhausted.

- b. Whether Bidder has failed to sign a contract after submitting a bid security in the past five (5) years.
- c. All pending litigation shall in total not represent more than ten percent (10%) of the Bidder's net worth and shall be treated as resolved against the Bidder.
- d. Bidder's history of making claims against others or having claims made against it; and, if the Bidder's management operates or has operated another construction company, the work history of that company in determining whether the Bidder submitted the lowest responsive and responsible Bid.

2. Financial Ability

- a. The Bidder's financial ability to complete the Contract successfully and on time without resorting to its Surety.
- b. The Owner may request Bidder provide for its review audited financial statements, to the extent available, and if not available, reviewed financial statements including balance sheets, income statements, and cash flow statements, or other financial statements acceptable to the Owner, for the last three (3) years to demonstrate the current soundness of the Bidder's financial position and its prospective long term profitability.
 - i. The Bidder's average coefficient of Current ratio (Current Assets/Current Liabilities) compared to 1. The greater, the better.
 - ii. The Bidder's average coefficient of Debt ratio (Total Debt/Total Assets) compared to 1. The lesser, the better.

3. Experience

- a. Whether the Bidder has experience under contracts in the role required by this Contract for at least the last five (5) years before the Bid submission deadline, and with activity in at least nine (9) months each year.
- b. Whether the Bidder has participated as in the role required by this Contract in at least two (2) contracts within the last five (5) years, each with a value of at least eighty-five percent (85%) of the stated estimate for this Project, that have been successfully and substantially completed and that are similar to the proposed Works. Similarity shall be based on the physical size, complexity, methods, technology, or other characteristics as described in the Contract Documents.

- c. For the above or other contracts executed during the period stipulated in above, whether the Bidder has experience in the type of work contemplated by the Project.
 - d. Whether the Bidder has a record of consistent customer satisfaction and of consistent completion of projects, including projects that are comparable to or larger and more complex than the Project, on time and in accordance with the applicable Contract Documents.
 - e. The Bidder's prior experience on other projects with the Owner and with other public owners, including the Bidder's demonstrated ability to complete its work on these projects in accordance with the Contract Documents and on time, and will also consider its ability to work with the Owner as a willing, cooperative, and successful team member.
- 4. Whether the Bidder possesses or can obtain sufficient equipment and facilities to complete the Project.
- 5. The adequacy, in numbers and experience, of the Bidder's work force to complete the Contract successfully and on time.
- 6. The Bidder's compliance with federal, state, and local laws, rules, and regulations, including but not limited to the Occupational Safety and Health Act, Prevailing Wage laws, and Ethics laws.
- 7. The Bidder's participation in a drug-free workplace program acceptable to the Owner and the Bidder's record for both resolved and unresolved findings of the Auditor of State for recovery as defined in Section 9.24 of the O.R.C.
- 8. The Owner's prior experience with the Bidder's surety.
- 9. The Bidder's interest in the Project as evidenced by its attendance at any pre-Bid meetings or conferences for Bidders.
- 10. Depending upon the type of the work, other essential factors, as the Owner may determine and as are included in the Specifications.
- 11. The foregoing information with respect to each of the Subcontractors and Suppliers that the Bidder intends to use on the Project.
- e. With its Bid, the Bidder will complete and submit to the Owner a completed Contractor's Qualification Statement (using the form included in the Contract Documents), and thereafter will provide the Owner with such additional information as the Owner may request regarding the Bidder's qualifications.
- f. The failure to submit requested information on a timely basis may result in the determination that the Bidder is not the lowest responsive and responsible Bidder.
- g. With its Bid, the Bidder shall submit a list of proposed subcontractors using the form included with the Contract Documents.
- h. The Owner reserves the right to reject proposed Subcontractors before the Contract is awarded. The Bidder shall replace rejected subcontractors with subcontractors acceptable to the Owner with no change in the amount of the Bid submitted by the Bidder to the

- Owner. After approval by the Owner of the list of proposed Subcontractors, Suppliers, and Manufacturers submitted by the successful Bidder, the list shall not be changed unless written approval of the change is authorized by the Owner. The Owner reserves the right to reject Subcontractors after the Contract is awarded. In that instance, the Owner shall only be liable to the Contractor for the difference in Contract Price between the rejected subcontractor and the replacement subcontractor. The Contractor's markup on the replacement subcontractor shall be equal to or less than the markup on the rejected subcontractor contract.
- i. With its Bid, the Bidder shall submit a list of supervisory personnel with which it intends to staff the Project indicating their respective roles on the Project. The Owner reserves the right to reject proposed personnel both before and after the Contract is awarded with no additional cost to the Owner. Once the personnel list is approved by the Owner, it shall not be changed without the written consent of the Owner.
 - j. No Bidder may withdraw its Bid within sixty (60) days after the date Bids are opened. The Owner reserves the right to waive any formalities or irregularities or to reject any or all Bids.
 - k. The Owner reserves the right to disqualify Bids, before or after opening, upon evidence of collusion with intent to defraud or other illegal practices on the part of the Bidder.
 - l. By submitting its Bid, the Bidder agrees that the Owner's determination of which Bidder is the lowest responsive and responsible Bidder shall be final and conclusive, and that if the Bidder or any person on its behalf challenges such determination in any legal proceeding, the Bidder will indemnify and hold the Owner and its employees and agents harmless from any claims included or related to such legal proceeding, whether or not proven, and from legal fees and expenses incurred by the Owner, its employees, or agents that arise out of or are related to such challenge.
 - m. Award of Contract. The award and execution of the Contract, when required, will only be made pursuant to the legal process applicable to the Owner for awarding contracts of this nature.

For federal tax purposes, you are considered a U.S. person if you are: • An individual who is a U.S. citizen or U.S. resident alien, • A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, • An estate (other than a foreign estate), or • A domestic trust (as defined in Regulations section 301.7701-7). Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

4.3 TIME IS OF THE ESSENCE. THE DATES IN THE PROJECT TIME SCHEDULE ARE OF THE ESSENCE OF THIS AGREEMENT. THE CONTRACTOR SHALL PROSECUTE ITS WORK IN ACCORDANCE WITH THE PROJECT TIME SCHEDULE, INCLUDING ANY AMENDMENTS THERETO.

5 DELAYS AND ACCELERATIONS.

5.1 NOTICE OF DELAYS. The Contractor shall give the Owner written notice of any delay affecting its Work within seven days of the commencement of the delay. The failure to give the required notice or include the required "NOTICE OF DELAY" language shall constitute an irrevocable waiver of the Contractor's right to seek an extension of time and/or additional compensation/damages for the delay. The Owner, in its sole and reasonable discretion, shall determine whether a delay shall entitle the Contractor to an extension of time, additional payment, or both. The Owner's findings of fact thereon shall be final and conclusive on the parties thereto.

5.1.1 The right of the Contractor to proceed shall not be terminated or the Contractor charged with liquidated damages because of any delays in the completion of the work due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor including, but not restricted to acts of God, public enemy, acts of the Owner, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather, or delays of subcontractor due to such causes, if the Contractor shall provide timely notice as set forth in Section 5.1.

5.2 ACCELERATION OF THE WORK. If the Contractor fails to perform as required by the Contract schedule, the Owner may require the Contractor to accelerate its Work by adding workers or working additional shifts, extended shifts or overtime, so that the Work is in final form before the Date for Final Completion. If the Owner requires the Contractor to accelerate its Work, the Contractor shall take the required action within two days of the Notice. If the acceleration is not due to fault of the Contractor, Owner shall issue a Change Order increasing the Contract Sum to pay the Contractor for the Contractor's additional costs of accelerating its Work so that the Work is in final form before the Date for Final Completion. If there is a dispute as to whether the Contractor is entitled to a Change Order for accelerating its Work, the Contractor shall proceed to accelerate its Work without waiting

for a Change Order or payment of any additional compensation, but may reserve its right to make a claim against the Owner for its additional costs incurred in accelerating its Work. The Contractor's additional costs for accelerating its Work shall be determined in accordance with Paragraph 5.2.2.

5.2.1 OWNER'S OBLIGATION TO PAY. The Owner shall pay the Contractor, as provided in this Paragraph, for the Contractor accelerating its Work so that its Work is in final form before the Date for Final Completion so long as the acceleration is not required as a result of the Contractor's failure to stay on schedule. The Owner shall not be required to compensate the Contractor for accelerating its Work based on the Contractor's own decision so that the Work is in final form by the Date for Final Completion.

5.2.2 COMPENSATION FOR ACCELERATION OF THE WORK. To the extent that the Owner requires the Contractor to accelerate its Work and is obligated to pay under Section 5.2.1, the Owner shall pay the Contractor for the Contractor's additional costs of accelerating its Work, as determined in accordance with this Paragraph. The additional costs of accelerating the Work shall be (a) any premium for overtime, additional shift work, or extended shift work, (b) the cost of any additional supervision required by the acceleration, (c) out of pocket cost of any additional equipment required for the acceleration, and (d) overhead, including home office overhead, and profit equal to ten percent (10%) of the total amount of items (a) and (b) for which additional compensation is permitted under this Paragraph. The foregoing shall be the only additional compensation and/or damages the Contractor shall be entitled to receive for accelerating its Work so that it is complete before the Date for Final Completion. As a condition precedent to its recovery of additional compensation, the Contractor shall provide the Owner with full information about the costs of accelerating its Work in the form and format requested by the Owner.

5.3 FORCE MAJEURE. The term "Force Majeure Event" means any situation that is not within the reasonable control of the Party affected, and with the exercise of due diligence, could not reasonably be prevented, avoided or removed by such Party, and does not result from such Party's negligence or the negligence of its agents, employees or subcontractors, that causes the Party affected to be delayed, in whole or in part, or unable to partially or wholly perform its obligations under this Agreement, including (a) acts of God; (b) sudden actions of the elements such as floods, earth movements (natural or manmade, except to the extent caused by Contractor), hurricanes or tornados and other abnormal weather (such as a material and unanticipated deviation from the 50-year historic weather conditions applicable to the geographic region as monitored by National Oceanic and Atmospheric Administration); (c); volcanic activity; pandemics or epidemic diseases; (d) war, whether declared or undeclared, or other armed conflict; acts of the public enemy; explosions; civil disturbance; sabotage; (d) riots; (e) labor strikes, lockouts or labor disputes of a regional or national scope or work stoppages (other than those strikes or work stoppages that are specific to such Party or any of its Affiliates or its or their subcontractors or suppliers); (f) terrorism or imminent threats of terrorism or acts of the public enemy, and (g) any act of a governmental authority, including any action, ruling, decree or injunction, which impacts, delays, or causes the Work to be stopped.

Force Majeure shall not include: (i) lack of financial resources of a Party; (ii) material cost increases in commodities or labor; (iii) changes in currency exchange rates or other economic difficulties unless such economic difficulties were themselves caused solely by a Force Majeure Event; (iv) the unavailability of equipment; (v) changes in market conditions; (vi) increased cost of performance by Contractor; or (vii) actions of a governmental authority enforcing compliance with any permit or any failure by such Party to exercise due care to maintain any Permit. The events set out in this paragraph shall not be the basis for an adjustment in the Contract Price or Contract Completion date.

Notwithstanding the foregoing, the COVID-19 coronavirus pandemic, although existing and foreseeable on the Execution Date, shall be deemed a Force Majeure Event solely to the extent that, (i) any disruptions to labor, materials, supplies, or manufacturing directly resulting from quarantines, shelter-in-place orders, or other similar restrictions enacted and enforced by a Governmental Authority (ii) a site shutdown or partial shutdown resulting from an outbreak enacted by the Owner or the Contractor, acting reasonably in accordance with CDC recommendations or the Owner's Covid-19 Job Site Protocol. These COVID-related events shall only be considered a Force Majeure event to the extent such quarantines, shelter-in-place orders, or other similar restrictions were neither in place nor pending as of the Execution Date. For this purpose, any extension of a restriction in place on the Execution Date shall not be deemed a Force Majeure Event. Owner and Contractor agree to work to minimize the impact of any site shutdown or partial shutdown by enforcing the Covid -19 Job Site Protocol.

Contractor shall give notice of the Force Majeure Event in accordance with the notice provisions in Section 5.1. If Owner agrees a claimed event is a Force Majeure Event then Contractor shall only be entitled to an extension of the Contract Completion date.

6 CORRECTIVE ACTION.

6.1 If the Owner determines that the Contractor is not cooperating or coordinating its work properly with its subcontractors, not supplying sufficient skilled workers, not cleaning up the Project, not furnishing the necessary materials, equipment, or any temporary services or facilities to perform the Work in strict conformance with the Contract Documents, or the Contractor is not on schedule, or is not otherwise performing its obligations under the Contract Documents, THE CONTRACTOR SHALL IMMEDIATELY, AND IN NOT LESS THAN FORTY-EIGHT (48) HOURS AFTER NOTICE OF SUCH DETERMINATION, OR SUCH LESSER TIME AS MAY BE PROVIDED IN THE CONTRACT DOCUMENTS, (1) COMMENCE SUCH ACTION AS IS NECESSARY TO CORRECT THE DEFICIENCIES NOTED BY THE OWNER, (2) PROCEED TO USE ITS BEST EFFORTS TO CORRECT SUCH DEFICIENCIES WITHIN THIRTY (30) DAYS OF SUCH NOTICE OR BY THE DEADLINE FOR COMPLETION OF THE PROJECT SET FORTH IN THIS AGREEMENT WHICHEVER IS SOONER AND/OR, (3) IF THE OWNER INSTRUCTS THE CONTRACTOR TO TAKE SPECIFIED CORRECTIVE ACTION, SHALL IMMEDIATELY TAKE SUCH CORRECTIVE ACTION, including but not limited to increasing the number of skilled workers, providing temporary services or facilities, and cleaning up the Project. Such corrective action shall be taken and continued uninterruptedly without waiting to initiate any dispute under Paragraph 13.17 of this Agreement or the resolution of any dispute initiated under such paragraph.

7 CONTRACT SUM. The lump sum Contract Sum to be paid by the Owner to the Contractor, as provided herein, for the satisfactory performance and completion of the Project and all of the duties, obligations and responsibilities of the Contractor under this Agreement and the other Contract Documents will be [**INSERT CONTRACT SUM**]. The Contract Sum includes all federal, state, county, municipal, and other taxes imposed by law, including but not limited to any sales, use, and personal property taxes payable by or levied against the Contractor because of the Work or the materials incorporated into the Work. The Contractor shall pay any such taxes.

8 LIQUIDATED DAMAGES.

8.1 The Contractor shall have its Work completed by the Completion Date stated in Paragraph 1.3; the timeline may be varied following award of the contract based upon the Contractor's ability to perform the work on a different timeline acceptable to the Owner. By entering into this Agreement, the Contractor agrees that the period for performing the Work is reasonable and that the Contractor's Work can be substantially complete by the date stated in this Agreement.

8.2 If the Contractor does not have its Work on the Project complete by the Completion Date or as otherwise agreed by the parties, the Contractor will pay the Owner (and the Owner may set off from sums coming due the Contractor) liquidated damages as follows:

Contract Sum	Liquidated Damages per day
Less than \$1,000,000	\$500
From \$1,000,000.01 to \$2,000,000	\$1,000
From \$2,000,000.01 to \$5,000,000	\$2,000
From \$5,000,000.01 to \$10,000,000	\$5,000
From \$10,000,000.01 to \$20,000,000	\$7,500
From \$20,000,000.01 to \$50,000,000	\$10,000
More than \$50,000,000	\$15,000

8.3 The Contractor acknowledges by signing this Agreement with the Owner that the amount of liquidated damages represents a reasonable estimate of the actual damages the Owner would incur if the work is not substantially complete by the foregoing date and that the damages that may result from the failure to substantially complete the work by the foregoing date are uncertain and difficult to ascertain. These liquidated damages are damages for loss of use of the Project, and the Contractor in addition to the liquidated damages will be obligated to indemnify and hold the Owner harmless from any claims, and if the Work on the Project is accelerated because of delay, for all costs related to the acceleration of the Work, as provided in the Contract Documents. In addition to such Liquidated Damages, the Contractor shall indemnify, defend and hold the Owner and its employees and agents harmless from any and all claims, whether or not such claims are proven, and from all costs and expenses incurred, as a result of or related to such claims, including but not limited to attorneys' and consultants' fees and expenses, provided that such claims arise out of or are related to the Contractor's failure to Substantially Complete its Work by its Date for Substantial Completion. These Liquidated Damages are in addition to any other remedies available to the Owner under the Contract Documents.

9 LIMITATION AND LIABILITY.

9.1 The Owner's total liability under this Agreement shall be limited to the amount set forth in the Finance Director's certificate accompanying this Agreement. Under no circumstances shall the elected officials, officers, employees, council members, or agents of the Owner be personally liable for any obligations or claims arising out of or related to this Agreement.

Such other information may include a schedule of all materials and equipment stored on site.

10.2 The Owner may withhold payment in whole or in part, and may demand that the Contractor refund amounts previously paid, to protect the Owner from loss because of: 1) The Contractor's default or failure to perform any of its obligations under the Contract Documents, including but not limited to: failure to provide sufficient skilled workers; Work, including equipment or materials, which is defective or otherwise does not conform to the Contract Documents; failure to conform to the Project Time Schedule; and failure to follow the directions of or instructions from the Owner; 2) The Contractor's default or failure to perform any of its obligations under another contract that it has with the Owner; 3) The filing of third party claims, or reasonable evidence that third party claims have been or will be filed; 4) The Work has not proceeded to the extent set forth in the application for payment; 5) Any representations made by the Contractor are untrue; 6) The failure of the Contractor to make payments to its Subcontractors; 7) Damage to the Owner's property or the property of another person or laborer; 8) The determination that there is a substantial possibility that the Work cannot be completed for the unpaid balance of the Contract Sum; and/or 9) Liens filed or reasonable evidence indicating the probable filing of such liens.

10.3 The Owner will pay the Contractor within 30 days after receipt of the Contractor's payment application, provided that the payment application has been properly submitted on a timely basis and is accompanied by all of the required documentation. The Owner may establish a cut-off date for the submission of the payment application.

11 RETAINAGE.

11.1 AMOUNT OF PAYMENTS. Subject to Paragraph 8.1, the amount of the payments to the Contractor shall be determined in accordance with the following paragraphs:

11.2 PAYMENTS. Payments under the contract shall be made at the rate of 90% of the amount set forth in the Contractor's payment application and approved by the Owner until the Work is 50% complete. When more than fifty percent (50%) of the Work has been completed, Owner shall hold no further retainage. The Engineer may also, at any time, increase retainage by any amount needed to protect the Owner's interests with respect to any incomplete, defective or unsatisfactory Work; costs or damages incurred by the Owner that are subject to the Contractor's indemnification obligations; or back charges that the Owner may assess against the Contractor.

11.3 DOCUMENTATION. Upon request, the Contractor immediately shall supply the Owner with such information as may be requested so as to verify the amounts due to the Contractor, including but not limited to original invoices for materials and equipment and documents showing that the Contractor has paid for such materials and equipment, and so as to verify that amounts due laborers, subcontractors, and materialmen have been paid to them.

11.4 FINAL PAYMENT.

11.4.2 The making of Final Payment by the Owner shall not constitute a waiver of Claims by the Owner for the following: 1) Liens, Claims, security interests, or encumbrances arising out of the Contract Documents that are unsettled; 2) Failure of the Work to comply with the requirements of the Contract Documents; 3) Terms of special warranties required by the

Contract Documents; 4) Claims for Indemnification; 5) Claims about which the Owner has given the Contractor written notice; or 6) Claims arising after Final Payment.

11.5 ESCROW ACCOUNT. The Owner and the Contractor agree that no escrow account shall be required in connection with this Agreement and that retained funds will not earn interest.

12 CHANGE ORDERS.

12.1 A Change Order is a written instrument signed by the Owner and the Contractor stating their agreement upon a change in the Work, the amount of the adjustment or the method for computing the amount of the adjustment of the Contract Sum, if any, and the extent of the adjustment in the Project Time Schedule, if any.

13 GENERAL.

13.1 MODIFICATION. No modification or waiver of any of the terms of this Agreement or of any other Contract Documents shall be effective against a party unless set forth in writing and signed by or on behalf of a party, which in the case of the Owner shall require the signature of the Owner's Representative acting under the authority of a specific resolution of the Owner. Under no circumstances shall forbearance, including the failure or repeated failure to insist upon compliance with the terms of the Contract Documents, constitute the waiver or modification of any such terms. The parties acknowledge that no person has authority to modify this Agreement or the other Contract Documents or to waive any of its or their terms, except as expressly provided in this Paragraph.

13.2 INSURANCE. Contractor shall obtain the insurance at the limits set forth in the General Conditions.

13.6 STATUTE OF LIMITATIONS. Regardless of any provision to the contrary, the statute of limitations with respect to any defective or non-conforming Work that is not discovered by the Owner shall not commence until the discovery of such defective or non-conforming Work by the Owner.

13.7 NOTICES. Notices, requests, or demands by either party shall be in writing, unless otherwise expressly authorized, and shall be personally served, forwarded by expedited messenger service, sent by facsimile transmission, or be given by registered or certified mail, return receipt requested, postage prepaid, and, in the case of the Owner addressed to the address/FAX number set forth at the beginning of this Agreement marked "Urgent, deliver to Owner's Representative/Designee," and, in the case of the Contractor, addressed to its address/FAX number set forth at the beginning of this Agreement. 13.9 APPROVALS. Except as expressly provided herein, the approvals and determinations of the Owner shall be subject to the sole discretion of the Owner and will be valid and binding on the Contractor, provided only that they be made in good faith, i.e., honestly. If the Contractor challenges any such approval or determination, the Contractor shall have the burden of proving by clear and convincing evidence that it was not made in good faith.

13.10 PARTIAL INVALIDITY. If any term or provision of this Agreement is found to be illegal, unenforceable, or in violation of any laws, statutes, ordinances, or regulations of any public authority having jurisdiction, then, notwithstanding such term or provision, this Agreement shall remain in full force and effect, and such term shall be deemed stricken; provided this Agreement shall be interpreted, when possible, so as to reflect the intentions of the parties as indicated by any such stricken term or provision.

13.11 COMPLIANCE WITH LAWS AND REGULATIONS. The Contractor, at its expense, shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to the Work. Including, but not limited to Ohio's Prevailing Wage law if applicable.

13.12 PROJECT SAFETY. Contractor further agrees that neither it, its subcontractors, or any person on the Contractor's or subcontractor's behalf, in any manner, shall discriminate against or intimidate any employee hired for the performance of work under the contract on account of race, creed, sex, disability or military status as defined in section 4112.01 of the Revised Code, or color. That there shall be deducted from the amount payable to the Contractor by the Owner under this Agreement a forfeiture of twenty-five dollars (\$25.00) as required by O.R.C. Section 153.60 for each person who is discriminated against or intimidated in violation of this Agreement. That this Agreement may be canceled or terminated by the Owner and all money to become due hereunder may be forfeited for a second or subsequent violation of the terms of this section of this Agreement.

13.14 USE OF OWNER'S FACILITIES. The Contractor shall ensure that neither its employees, nor its Subcontractor's or material supplier's employees, regardless of tier, do any of the following without the express prior written consent of the Owner: use the Owner's cafeteria, rest rooms, or phones; use or bring any alcoholic beverages, controlled substances, or firearms on any

property owned by the Owner. The Owner will not tolerate any such actions and any such action observed or made known to the Owner shall be dealt with severely.

13.17 DISPUTES. If a dispute between the parties arises out of or relates to this Contract or the other Contract Documents, or a breach thereof, then the parties agree to make a good faith effort to settle the issue through direct discussions between the parties prior to having recourse to a judicial forum. However, disputes between the parties that cannot be mutually resolved shall be decided by litigation in the jurisdiction set forth in Paragraph 13.5 above. Notwithstanding anything to the contrary, during any dispute or judicial proceedings related thereto, Contractor shall continue to perform the Work in accordance with this Contract.

13.18 ILLEGAL GIFTS FROM DONORS. In accordance with Executive Order 2007-01S, the Contractor, by signature on this document, certifies that it: (1) has reviewed and understands Executive Order 2007-01S, (2) has reviewed and understands the Ohio ethics and conflict of interest laws, and (3) will take no action inconsistent with those laws and this order. The Contractor understands that failure to comply with Executive Order 2007-01S is, in itself, grounds for termination of this contract and may result in the loss of other contracts with the State of Ohio

13.19 FINDING FOR RECOVERY. The Contractor represents and warrants that it is not subject to an "unresolved" finding for recovery under O.R.C. Section 9.24. Section 2909.33(C), to an organization that is identified by, and included on, the United States Department of State Terrorist Exclusion List and that it has truthfully answered "no" to every question on the "Declaration Regarding Material Assistance/Non-assistance to a Terrorist Organization ("DMA")."

13.22 ENTIRE AGREEMENT. This Agreement and the other Contract Documents constitute the entire agreement among the parties with respect to their subject matter and will supersede all prior and contemporaneous, oral or written, agreements, negotiations, communications, representations, and understandings with respect to such subject matter, and no person is justified in relying on such agreements, negotiations, communications, representations, or understandings.

13.23 COUNTERPARTS. This Contract may be executed in one or more counterparts, each of

which will be deemed an original and all of which together will constitute one and the same instrument.
