

Set your alarm to donate! It's time to save lives and we need you now, more than ever, to roll out of bed and roll up your sleeve to prevent seasonal blood shortages. Give blood three times between May 4th, 2020 and October 31st, 2020 and you will have the chance to collect all three of our special, limited-edition, "prevent blood shortages" tees! And no, you are not dreaming, it's true...all registered donors will be automatically entered to win a Sleep Number® Bed! So wake up and shine by saving lives and preventing seasonal blood shortages.
